Vivekjiyoti College aspires to be a pioneer teacher education institution actualizing Swami Vivekananda’s educational vision by making ideal and committed teachers and researchers that continuously respond to the changing social needs through the discovery, development and application of knowledge. As the college is in the name of Swami Vivekanda, so another purpose of the college is divine manifestation of person’s innate perfection, harmonizing the best elements of eastern and western values.

## **About the seminar: “Implementation and Execution of NEP2020 in the light of Inclusive Education.”**

The main objective of the National Education Policy 2020 is to find a suitable solution to all the problems related to education. In particular, inclusion in education, i.e. inclusive education has been prioritized and to what extent it has been possible to implement this education policy and what effective results will have been achieved in Future. It is our sincere endeavour to shed light on all those aspects by organizing an international level seminar to know the execution and implementation endeavour of NEP2020 from perspective thoughts of various resource persons.

## **Objectives of the seminar:**

1. To extend students and teachers understanding about the implementation of National Education Policy 2020.
2. To provide a tremendous opportunity for revision and revamping of all aspects of the rapid changes of education structure, including its regulation and governance.
3. It also gives an opportunity to chalk out long term, medium term and short term action plans for the effective and timely implementation of various dimensions of NEP-2020.
4. Optimum utilization of Educational Resources for Equity and Equality in Higher Education.
